

HOW TO ATTACH GYPSY TAIL

1. Things You Will Need

- *Gypsy Tail
- *Scissors
- *Zip Ties
- *Brush
- *Rubber Bands

5. Make a braid put rubber band on end and another rubber band half way down over the braid for security

2. Brush Tail so it lays flat

6. Put zip tie through braid above security rubber band and the end of Gypsy Tail. Loop it together and pull tight.

3. Section Tail

7. Cut the end of the zip tie off.

4. Clip tail up and out your way

8. Unclip tail and lay over the Gypsy Tail and brush through.
